STEP INTO A

LIFE OF BLISS

LIFE OF BLISS

A HERO'S PROMISE

Being a part of the renowned business house Hero Enterprise, our work ethos is guided by the strong group values of Trust, Care and Nurture.

Our development philosophy is based on four design pillars :

Fitness | Sustainability | Community | Creativity

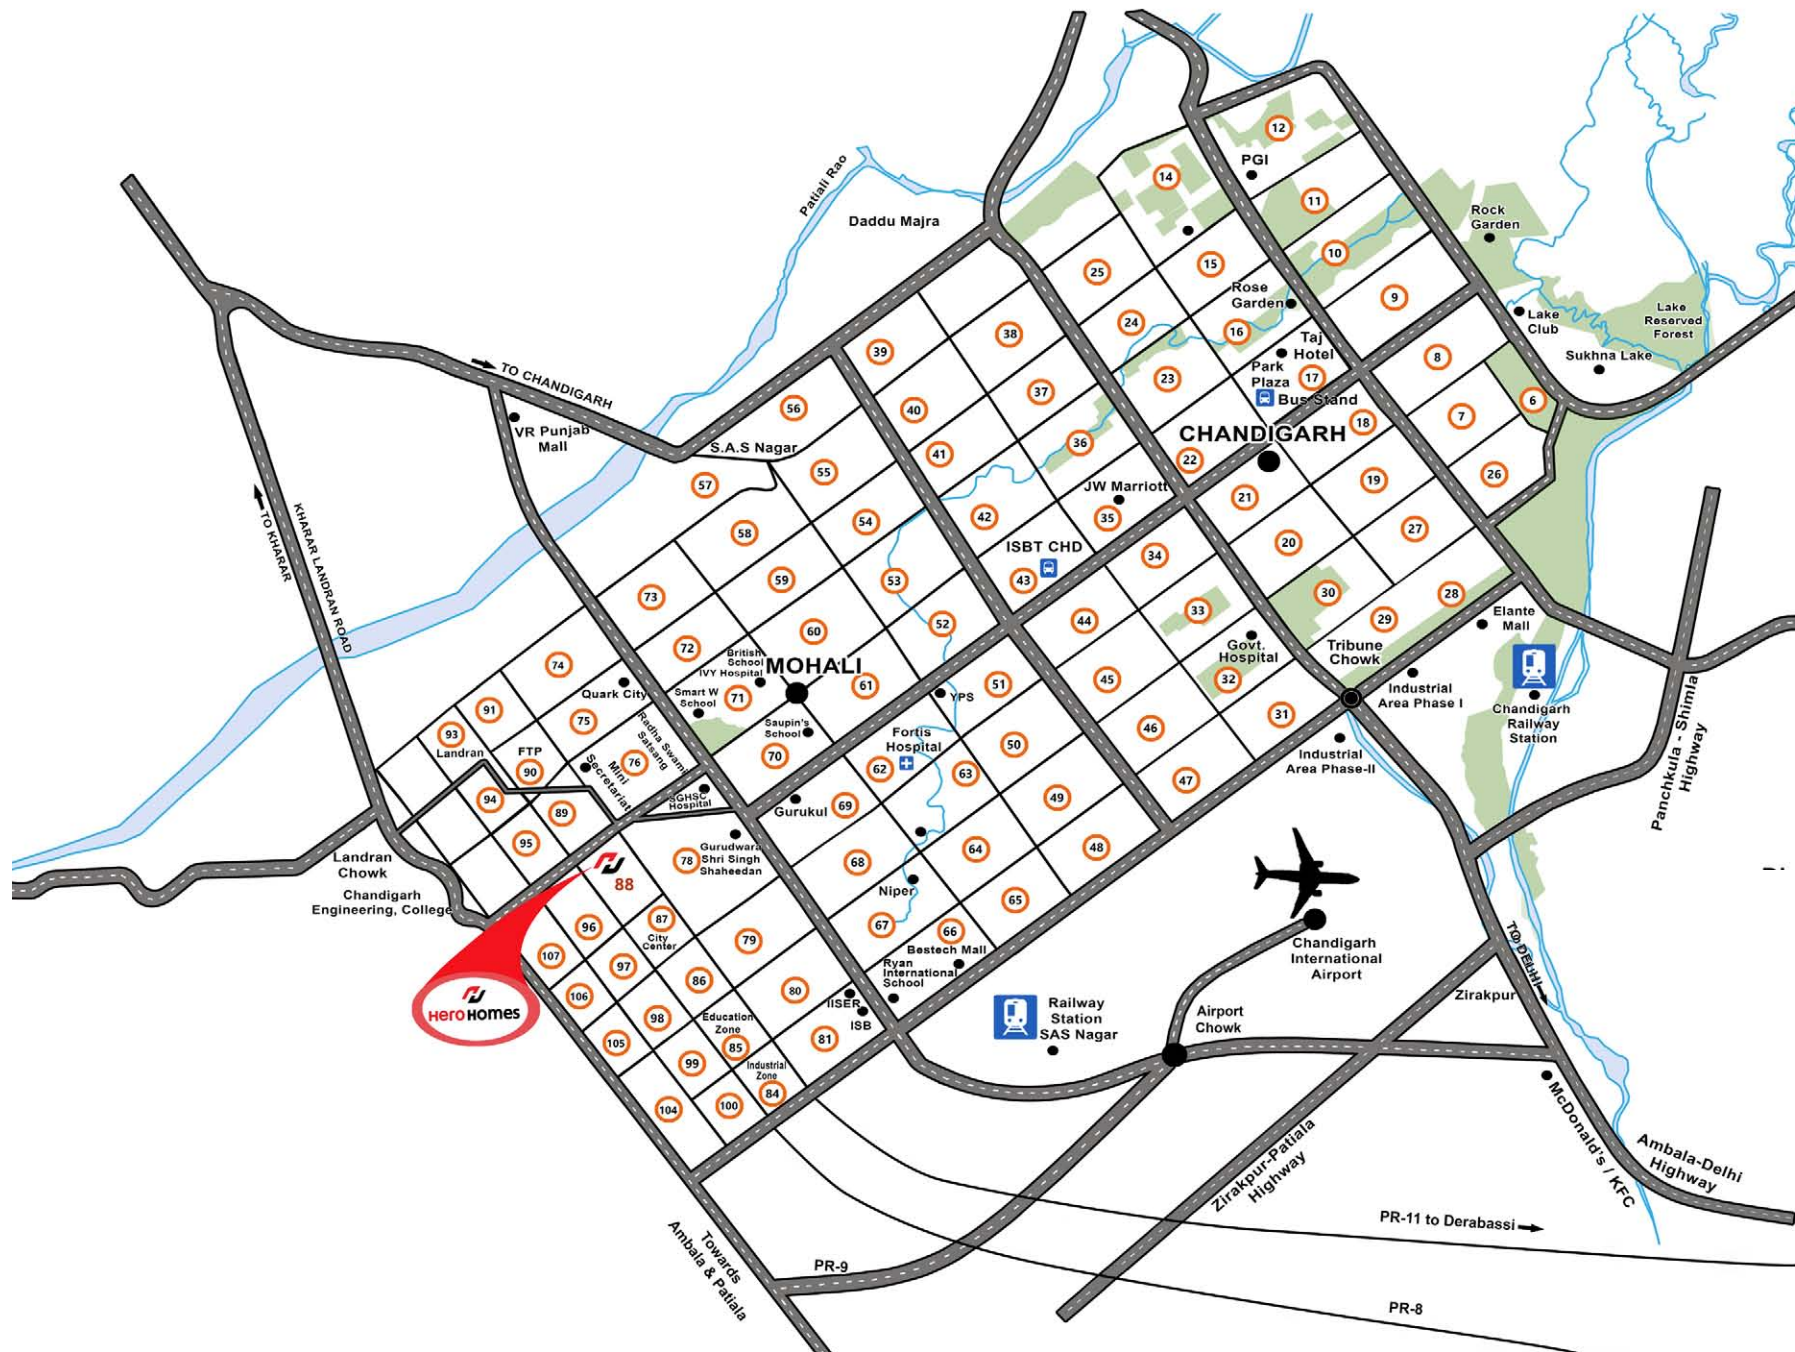

These four parameters help in adding distinctive features to the homes that lead to an enriched lifestyle for you. The company of loved ones set amidst beautiful surroundings bespoke a lifestyle of pure bliss. At Hero Homes Mohali, life is all about the fine things that make living worthwhile. Because a house is not enough, it needs to be changed into a comfortable haven with delightful amenities, open green spaces, play areas for children, a good neighbourhood and above all, a location that serves as an oasis of peace in the chaos of city life. All these and more await you at Hero Homes for a complete life of bliss.

Anybody can make promises. But what separates a Hero's Promise from an ordinary promise is the commitment that transforms promises to reality. And this steadfastness towards promises defines Hero Realty as an organisation that is completely dedicated to its customers, employees, partners and society.

As a principle, we have three criteria in mind before engaging in a new venture. First, the venture needs to be something that one of us in senior management is passionate about. Second, it has to be in an area where we can make the maximum positive social impact. Finally, it has to be a venture where we can move into a leadership position. Housing in India, is both, a serious social challenge and a great economic opportunity. While the country's population has grown exponentially, most do not have the privilege of a well-appointed home. At the same time, when housing is promoted, great multipliers are created, since an estimated 150 plus industries are linked to this sector in some form or the other. This socio-economic impact has strengthened our conviction to commit ourselves to the business of building homes and community development. The Hero Homes venture is a manifestation of this conviction.
